Where Style Meets Confidence

A new level of performance, intuitive design and elegance for a premium restroom experience.

Georgia-Pacific

Designed For Peace Of Mind

EXTENDED BATTERY LIFE

On average, enMotion® towel systems have a battery life of 5 years—extended one year by ECON Mode.¹

RELIABLE

Guaranteed reliability with a lifetime warranty, plus a jam-free design and a replaceable chassis helps simplify service.

WHISPER QUIET

Virtually soundless automated dispenser operation provides a premium experience.

WASTE REDUCING

Controlled towel dispensing can help reduce waste up to 30% compared to GP PRO folded towels.²

EASY CUSTOMIZABLE SETTINGS

Push button controls with light confirmation for settings: dispense hang mode, sensor range, towel delay and sheet length. You can also “freeze” current settings.

Elements*

Recycled paper options available, including refills that meet or exceed EPA comprehensive procurement guidelines and can help earn LEED® credits.

96% CUSTOMER SATISFACTION

enMotion® Automated Touchless Paper Towel Dispensers have delivered an average customer satisfaction rating of 96% since 2007³

Smaller profile design for tight spaces.
