GAS PUMP BUNDLE

Meeting great expectations for hygiene efficiency at your gas pumps.

SofPull® Centerpull Towel Dispenser (58201)

Easy-access, absorbent towels are handy for a quick wipe up or for drying hands, dispensed from a high-capacity, closed dispenser.

Pacific Blue Ultra® Mechanical Towel Dispenser (59589)

This attractive and affordable high-capacity dispenser is durable for day-to-day activity at your gas pumps. Offers touchless operation to help improve hygiene.

Pacific Blue Ultra® Water-Resistant Towel Dispenser (59594)

Offering additional protection from the elements, this high-capacity manual dispenser can ensure refilling is less frequent. And touchless operation can help improve hygiene.

Safe-T-Gard® Door Tissue System (59513)

Use these small, single-use tissues to help reduce cross-contamination at the pump and protect hands from commonly used surfaces. Dispenser, receptacle and tissue refills.

ENTRY WAY BUNDLE

A welcoming first impression that confirms your store is hygiene ready.

Safe-T-Gard® Door Tissue System (59513)

Convenient, single-use tissues add a layer of protection when grabbing door handles or touching other surfaces. Dispenser, receptacle and tissue refills.

Pacific Blue Ultra® Touchless Hand Sanitizer + Stand (53590 + 50440)

A convenient way of promoting hand hygiene as patrons enter and exit the store.

SELF-SERVE BUNDLE

A well-stocked, hygiene-forward self-serve experience awaits your patrons.

Dixie Ultra® 2-Ply Interfold Napkins (54510A, 54550A, 54114)

One-at-a-time napkin dispensing enables patrons to touch only what they need and helps reduce waste by 29%.¹ Dispensers available in countertop, in-counter and tower models.

Dixie® Pick Sheets (MT6)

These lightweight tissues are interfolded for pop-up convenience, perfect for handling baked goods and other foods without touching the product.

Dixie Ultra® SmartStock® Tri-Tower Cutlery Station (DUSSTDSP3 + DUSSTDSP3MINI)

These touchless dispensers come in two models, including a Mini that's sized to fit tighter spaces. They're easy to maintain and can help you reduce cutlery usage by 31%.²

Dixie Ultra™ Surface System (54026)

For sanitizing active self-service areas: This closed-system dispenser provides a disposable, quat-compatible sanitizing wipe every time—helping protect unused wipes from contamination. Add your own sanitizer.

PREPARED FOODS BUNDLE

Hot food efficiency ... from food prep and cooking to carryout and cleanup.

Dixie® Pan Liners (LO10U)

An economical selection of treated, standard-release single-use pan liners that offer efficiency and time savings for one-time baking.

Dixie® High-Heat Oven Sheets (HR12)

These Dixie® heat-resistant, interfolded papers are great for use in high-heat, rapid-cook ovens.

Dixie® Food Trays + Basket Liners (ES200U + FS1212W)

Sturdy food trays are ideal for packaged or small foods and snacks, such as hot dogs, nachos and veggies. And microwavable, dry-waxed basket liners are a workhorse for absorbing excess juice.

Dixie Ultra™ Surface System (54026)

For sanitizing food-prep areas and counters: This closed-system dispenser provides a disposable wipe every time—helping protect unused wipes from contamination. Add your own sanitizer.

Dixie® Grease-Resistant Foodwrap (GRC1212)

This sandwich wrap and liner retains heat, holds grease and absorbs moisture. It's an ideal alternative to traditional wax-based products, using a starch-based coating instead.

Dixie® and Dixie Ultra® Disposable Foodservice Towels (29662, 29423)

These disposable, sustainable* heavy-duty towels can be a more hygienic alternative to cloth towels—designed for fast, streak-free wiping on messy tabletops, grimy countertops, and even greasy stove tops.

*Dixie Ultra® PB900 Disposable Foodservice Towels are BPI® Certified as commercially compostable only. Such facilities may not exist in your area. BPI® is a trademark of the Biodegradable Products Institute. www.bpiworld.org.
