The Smart Alternative to Plastic Cutlery in an Era of Single-Use Plastic Bans

As restrictions on single-use plastics continue, Dixie® 100% Bamboo Cutlery provides a sustainable option that performs more like traditional cutlery. Made from 100% natural resources, these utensils are both industrial¹ and home compostable. Your patrons will appreciate the smooth finish, durability and mouth feel that make for enjoyable dining. Available in large 1,000-count packs that can deliver a lower per-utensil price.

Why Dixie® 100% Bamboo Cutlery?

COMPOSTABLE CUTLERY¹
