Pacific Blue Ultra® Skin Care System

Dispensers

Helps ensure proper hand hygiene while controlling waste.

HYGIENIC

Both automated and manual dispensers have sealed refills, which help reduce the risk of contamination and are more hygienic than bulk containers. For an added level of hygiene, try the automated dispenser with its touchless design.

ADA COMPLIANT

Manual dispensers meet ADA Guidelines by requiring less than 5 lbs. of push force. Automated dispenser meets ADA Guidelines by not extending more than 4 inches from wall.

PART OF A FAMILY

Coordinates with Pacific Blue Ultra® paper towel dispensers.

EASY TO MAINTAIN

High-capacity refill and easy-load design reduces the time and effort required to service. Large sight window allows for quick maintenance checks.

WASTE REDUCTION

Convenient, adjustable portion control helps prevent waste. The dispenser is designed to ensure 99% of the foam product is emptied before replacement is needed.

AESTHETIC OPTIONS

Stylish dispensers to complement any décor. Custom print options are available to promote your brand.
