Hygienic Toilet Paper Solutions that Make Cents

From patient rooms to public areas, SofPull® Centerpull toilet paper dispensers help reduce cross-contamination with single-sheet dispensing.

EASY TO MAINTAIN

Translucent design makes it easy to see when a roll change is needed.

HIGH-CAPACITY

Design drives fewer roll changes and can help reduce maintenance costs.

HYGIENIC

Completely enclosed roll helps reduce cross-contamination.

USER FRIENDLY DESIGN

Intuitive to use; single-sheet dispensing helps promote hygiene with one pull.

56% WASTE REDUCTION

No inner wrap or outer carton conserves packaging compared to jumbo roll* and standard roll toilet paper.

*Standard Jumbo Roll: 3.5" width, 12 count pack

High Performance Isn't Just for the Classroom

A toilet paper dispenser that promotes hygiene with durability in mind. We'd say that's worthy of an A+.

DURABILITY

Made with polycarbonate plastic that can withstand abuse. Sturdy lock prevents pilferage and vandalism.

29% USAGE REDUCTION*

Say goodbye to over-spinning. Single-sheet dispensing means students only use what's needed.

* Average area vs. 3.5-inch width jumbo roll bath tissue. GP PRO Technical Research: 2023-210

CONTROLLED DISPENSING

One-at-a-time dispensing helps reduce usage by ensuring users only use what's needed.

PATENTED NOZZLE

Patented centerpull nozzle promotes hygiene and prevents users from pushing toilet paper back into the dispenser.

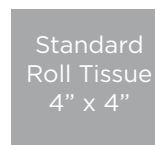

BIGGER SHEET SIZE

SofPull® toilet paper has a larger, more generous sheet size than standard roll sheet and is wider than jumbo roll toilet paper.
