

enMotion

Where Style Meets Confidence

Part of the Premium Restroom Collection. A new level of reliable performance, intuitive design and elegance.

Georgia-Pacific

Designed For Peace Of Mind

EXTENDED BATTERY LIFE

On average, enMotion® towel systems have a battery life of 5 years—extended one year by ECON Mode.¹

WASTE REDUCING

Controlled towel dispensing can reduce waste up to 30% compared to GP PRO folded towels.²

WHISPER QUIET

Virtually soundless automated dispenser operation provides a premium experience.

RELIABLE

Guaranteed reliability with a lifetime warranty, plus a jam-free design and a replaceable chassis helps simplify service.

EASY CUSTOMIZABLE SETTINGS

Push button controls with light confirmation for settings: dispense hang mode, sensor range, towel delay and sheet length. You can also “freeze” current settings.

Recycled paper options available, including refills that meet or exceed EPA comprehensive procurement guidelines and can help earn LEED® credits.

96% CUSTOMER SATISFACTION

enMotion® Automated Touchless Paper Towel Dispensers have delivered an average customer satisfaction rating of 96% since 2007³
