Gates
Puertas de Embarque

of custodians say they **fix paper towel jams** on a regular basis.*

* Source: CPT14-025 Custodian Study, 2014

of high-traffic building decision makers report that more than 10% of their restroom consumables are **thrown away and wasted after being only partially used**.*

* Source: PRO-17-1735

A pleasant airport experience **takes some of the turbulence out of travel.**

Better restrooms can make a big difference.

Georgia-Pacific

Keep passengers moving with the help of the **enMotion® Flex Recessed Automated Touchless Paper Towel Dispenser.**

80%

of customers say enMotion® paper towel dispensing systems **have reduced the amount of complaints they receive.***

* Source: CPT-18-1741

JAM-FREE DESIGN A stand-by roll helps reduce jams, maintenance time and “surprise” run-outs.

ZERO WASTE One roll is consumed 100% before the dispenser auto-switches to the other roll.

HELPS IMPROVE CUSTOMER SATISFACTION A towel-every-time dependability helps ensure passengers get what they need.

The enMotion® Flex System is part of **GP PRO's Premium Restroom Collection**
